Using your Blue Advantage (PPO) Dental Allowance

With Blue Advantage you have access to more than **1,700 in-network dentists**.

Locating In-Network Dentists

To find a participating dentist (or check that your current dentist is in the network):

- Go to **AlabamaBlue.com/FindADoctor**
- Enter your location, select **“dentist”** in the dropdown menu for type of service, enter any additional applicable search terms and then click the search icon.

In-network dentists will file a claim with Blue Cross and Blue Shield of Alabama for you. Some out-of-network dentists may want you to pay the bill up front, then ask Blue Cross to reimburse you.***

Submitting A Claim For Reimbursement

- If your dentist does NOT file claims to Blue Cross, you pay for the services you receive, and Blue Cross will reimburse you up to the plan's coverage limits. (\$1,000 for Complete, \$1,300 for Premier)
- You can submit a claim by logging into *myBlueCross* and click on **Submit a Claim** on the Account Summary page. You can also request a form by phone (by calling the number on your member ID card), or you can ask for one via email, then print and complete it and mail it back.
