Introduction

This booklet provides a list of **BlueRxSM (PDP)**'s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the *Evidence of Coverage* and **BlueRx's** formulary.

When this pharmacy directory refers to “we,” “us,” or “our,” it means **Blue Cross and Blue Shield of Alabama**. When it refers to “plan” or “our plan,” it means “**BlueRx**”.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under **BlueRx** only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverage*.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 11/05/2024. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called mail order pharmacy service. For more information, please contact us or see the mail order section of this pharmacy directory. Only the mail order pharmacy can offer lower cost-sharing for our covered Tier 2 100-day prescription drugs. Cost-sharing information can be found in the Summary of Benefits.

This directory is for Alabama including the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please call Member Services at **1-800-327-3998 (TTY users should call 711)**. Monday - Friday, 8 a.m. – 8 p.m. CST. From October 1 to March 31, the hours of operation are Monday - Sunday, 8 a.m. – 8 p.m. CST. You may be required to leave a message for calls made after hours, weekends and holidays. Calls will be returned the next business day, or visit **www.bluerxalatenn.com**.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

BlueRx's network pharmacies

Pharmacies are listed alphabetically by city and by type of pharmacy. The types of pharmacies in this directory appear in this order:

- Retail Pharmacies, including Chain Pharmacies
- Long-Term Care Pharmacies
- Home Infusion Pharmacies
- Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies
- Mail Order Pharmacies
- Specialty Pharmacies

Under each listing we also list additional pharmacy features. These features are identified on each page with the following key:

R = Retail Pharmacies. We have a nationwide network of pharmacies where you can get covered prescription drugs as a member of our plan.

100 = 100-Day Supply. These are retail pharmacies that offer an extended (100-day) supply of medications.

S = Specialty Pharmacies that can provide specialty prescription drugs. These medications may have special storage and handling requirements.

LT = Long-Term Care Pharmacies. These are pharmacies that service long-term care nursing facilities. Residents of a long-term care facility may access their prescription drugs covered under **BlueRx** through the facility's long-term care pharmacy or another network long-term care pharmacy.

H = Home Infusion. Pharmacies that provide infused (IV) medicine in your home per doctor's order.

IN = Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies. Only Native Americans and Alaska Natives have access to Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies through **BlueRx's** pharmacy network. Those other than Native Americans and Alaskan Natives may be able to access these pharmacies under limited circumstances (e.g., emergencies).

24HR = Pharmacy is open 24-hours.

eRX = Pharmacy accepts electronic prescribing.

Note: Mail Order Pharmacies and Specialty Pharmacies are listed on page 65 of this directory. The key is also listed at the bottom of each Pharmacy Directory page for your reference.
